SARAH SOLTAN
Concept Artist, Graphic Designer, and Writer

INDUSTRY EXPERIENCE

Freelance Work
2013-present

Computer Museum of
America
New Earth Entertainment, LLC
Puzzles by Joe, LLC
InZane Games, LLC
Old Spire Studios, LLC
Atlanta Game Cooperative, LLC
Thrust Interactive, Inc.

Collaborated with the Events Committee and created an assortment of graphics for the Computer Museum of America including but not limited to original art, postcards, flyers, fact sheets, stickers, tabletop programs, and signage design; communicated effectively across a large team

Responsible for art direction and production of art assets for a TBA game under New Earth Entertainment, LLC

Designed and created collages from an assortment of hand curated images to be turned into various types of puzzles and produced UI assets for Puzzles by Joe's Clutter series (Clutter 1000, Clutter IX, TBA Clutter); art directed and wrote the story for Clutter IX

Designed, directed, and handpainted 2D art as deliverable board game assets (game logo, board design, card design, and token pieces); redesigned and handpainted company logo for InZane Games, LLC; communicated and collaborated with other team members to ensure a consistent look across all assets; contributed to game design through playtest feedback

Project managed and art directed Old Spire, with AGILE methodology in Unity; concepted and painted 2D mood, environment, character, and prop art to deliver to modelers for implementation; performed administrative tasks such as schedule creation and log management; oversaw and directed meetings 3x a week; edited writing and presentational elements for public viewing, and performed QA analysis and testing

Painted mobile game concept art for PGA under Atlanta Game Cooperative, LLC.

Drew and painted video game concept art and 2D sprites for a mobile game app by Thrust Interactive, Inc. as part of an interning game development team
